Dear Parent / Carer,

Educational Visits for 2024 – 2025

In order to give you as much information in advance as possible, below are a list of trips that we have currently planned for the 2024 – 2025 Academic Year. We hope that by informing you of these trips now, you will be aware of the cost implications and be able to plan accordingly. Whilst we do set aside funds to help run our trips, we are unfortunately unable to cover the full costs of these.

A letter confirming the cost of the above trips will be emailed out to you during the first week of September and you will then be able to access the trips via Arbor.

As with all our trips, these can only go ahead if we receive sufficient contributions from parents. Contributions are voluntary but if insufficient contributions are received, we will unfortunately have to cancel the trip and any payments that have been received would be refunded to you. We hope that this will not be the case and that all trips can go ahead as planned. All donations are greatly appreciated. If we can cover the full cost together, we will be able to enhance your child's learning in the way in which we believe is the most beneficial to them.

Yours sincerely
