

Friday 20th October 2023

Dear Parents/Carers,

**Sports visitor – Tamara Wilcock**

I am excited to announce that Castle Wood Academy will be taking part in a morning of sporting activities with Tamara Wilcock on Friday 24<sup>th</sup> November 2023. Tamara is currently a professional footballer for Sheffield United Women FC and the children are already really looking forward to what the morning will have in store. Tamara will be conducting an assembly with the children, as well as arranging activities for all the children across the school to take part in. This is all part of Castle Wood Academy's drive to get children more physically active!

A sponsor form should have gone out with the children last week from their class teacher. This sponsor form will give you all the information you need about what your money will go towards. Sports For Champions have kindly allowed for our school to have 60% of all your donations, which will allow the school to purchase higher quality resources for the children at break and lunchtimes, during PE lessons and state of the art gym equipment, which I am hoping to have installed on the grounds of the school at some point this academic year.

Thank you very much in advance for any donations raised towards this event. Another letter will go out to parents later in the year to inform you about how your sponsor money was used in the school to enhance your child's education.

The link below gives you access to the school's crowdfunding page. This page will be active until Monday 27<sup>th</sup> November 2023. Please note that sponsorship forms with any money raised must be returned by this date as well:
