Term 2

Learning Journey – Geography, DT(cooking and nutrition) and Science

This term the children will be answering the question, **'Why would you chose Lincolnshire to build your farm?'**. In geography, we will using maps to locate cities and counties in the UK as well as a key focus on Lincolnshire. In DT, we will looking at foods that are produced and grown in Lincolnshire and will be sampling a selection of foods as well as focusing on what is a varied, balanced diet. We will be using our skills of peeling, cutting and mashing to create mashed potato and evaluating it. In science, we will be investigating types of rocks and soils to understand why Lincolnshire is so good for farming.

Dates for the diary

Tuesday 10th November
Trip to the cinema – AM only

Tuesday 15th December
Y3 Craft Events

Computing

Creating Media – Stop Frame Animation
We will use a range of techniques to create a stop-frame animation using iPads. Next, we will apply these skills to create a story-based animation. At the end of the unit, we will be adding other types of media to our animation, such as music and text.

RE

Has Christmas lost its true meaning?

This term, we are learning to find out what the true meaning of Christmas is to Christians and compare this with what Christmas means to us. We will be reading the Christmas story as well as making a class Christmas tree with decorations to show all the non-Christian and Christian aspects of Christmas.

PSHE

Our SCARF unit this half term is **Valuing Differences.** A keyword for this term is **Respect**. By looking at different types of families and groups that make up our community, we will be focusing on the importance of listening and responding to people respectfully even when they are very different from them. As well as diversity and the benefits of living in a diverse community.

PE

PE will take place on a Wednesday.

This term, we will be learning Basketball. The children will develop their understanding of the attacking and defending principles of invasion games. They will have to think about how they use skills, strategies and tactics to outwit the opposition. They will develop their understanding of the importance of fair play and honesty while learning and abiding by key rules, as well as evaluating their own performance.

Music

Glockenspiels

This term, we will be playing a musical instrument called the Glockenspiel. We will be learning the C, D, E and F notes along with learning the different types of note names and playing different pieces of music.
