## West Lindsey District Council Name a Bin Competition

Towards the end of last year, West Lindsey District Council ran a competition between schools to name one of their new bin lorries. Names were suggested by children across school with the final choice being made by our sustainability committee in 3CR. We were lucky enough to win with the name Bin Charles, and this is now proudly shown on the front of one of the lorries. We had a visit from WLDC, along with the bin we named, and received a £20 national book token which is being spent on some new books for our library.

Huge congratulations to all the children involved!
