

Dear Parents,

I hope this letter finds you well and enjoying the changing seasons. Today, I'm writing to share some exciting news about a shift in our reward system at school.

Starting from after the upcoming half term break, we will be bidding farewell to the familiar Dojo points and ushering in a new era with the introduction of House Points. We believe this adjustment will bring a fresh and motivating perspective to our approach in acknowledging and celebrating our children's achievements.

The fundamental principle remains the same - we will continue to recognise and reward our children for embodying our school values of aspiration, resilience, engagement, and well-being. However, the method of celebration will undergo a delightful transformation.

Here's a sneak peek into the new rewards system:

20 House Points: The Treasure Chest Experience

- Your child will have the exciting opportunity to dip into the treasure chest, brimming with delightful treats.

40 House Points: Assembly Bench Access

- Your child will be granted a special seat on the bench during assembly time, a moment of honour to be acknowledged by their peers.

60 House Points: Own Clothes Day Pass

- Your child can enjoy a day in school wearing their own clothes, a small but meaningful expression of individuality.

80 House Points: Early Lunch Access

- Your child, accompanied by a friend, will have early access to lunch after collecting their special lanyard from my office.

100 House Points: Quality Time with Mrs. Warburton

- Your child will be treated to a delightful afternoon with our beloved Mrs. Warburton, where they will savour hot chocolate and cake together.

To streamline communication, we will send you a message either during pick-up or through the Arbor system when your child achieves one of these milestones. We believe this system will not only recognise their accomplishments but also add an extra layer of anticipation and excitement to their school experience.

We are confident that this change will foster a sense of achievement and motivation among our children, encouraging them to embody our school values actively. If you have any questions or concerns about this transition, please feel free to reach out to us.

Thank you for your continued support in creating a positive and rewarding environment for our children.

Best regards,

Mr Walker
