Top Tips

- The secret to success is practising little and often.
- Use time wisely. Practise on the way to school or during a journey.
 - Count whenever possible:
Count stairs as you're climbing them.
Count socks and shoes as you're putting them on.
Cars going past.
When reading a book, count items in the pictures.
- Model counting as much as possible to your children so they hear the number names in the correct order.

Questions to Ask

How many forks have I got? Let's count them together.

How many cows are in the field in this picture?

How many fish fingers have you got for tea tonight?

Game Ideas

- Use songs to help. For example:
1,2,3,4,5 once I caught a fish alive
One, two buckle my shoe
