Phonics Group

- 'Phonics Screening' is an assessment taken by Y1 and Y2 children. The maximum score is 40 and the pass score is 32. The report will say 'Met' for a pass and 'Not Met' if your child scored below 32. This will only appear on your child's report once they have taken the check (this is normally in June for Year 1 children).
- 'Phonics Group' tells you what stage they are currently at as they progress through our phonics scheme.
- When children work through Phonics books they progress in the order below:

'Off Programme' means your child has completed the Phonics programme	
Grey	
Blue	
Yellow	
Orange	
Pink	
Purple	
Green	
Red	
Working Towards Red	

PLEASE NOTE: We do not relate a colour to an age, however we aspire for all our children to be 'off the programme' by the time they get to the Spring term of Year 2. We realise though that children progress at different rates and do not worry if some take longer and some are quicker.

Years 1-6 Key Stage 1 & 2	This tells you if we think your child is on track to achieve age related expectations by the end of the school year
GDS	Your child is working above the expected standard for a child of their age
EXP / EXS	Your child is at the expected standard for a child of their age
WTS	Your child is working towards the expected standard
PKS	Your child is working at a level below their current key stage in this subject

Book Bands

THIS IS A GUIDE. The colours do NOT equate directly to a year group, but this table gives a rough indication as to what colours a child might be at in a particular year group depending on their ability.
