

Learning Journey – Geography, Science & Art

Which British country has the most beautiful national flower?

In geography, we will be learning about the four countries that make up the United Kingdom. We will learn about their location, flag, national flower and key characteristics.

We will learn a range of artistic techniques such as printing and exploring texture and use these to create national flowers.

In science, we will be learning about seeds, bulbs and plants as well as the key parts of a flower before moving on to identifying evergreen and deciduous trees.

PSHE

Our SCARF unit this half term is **Rights & Respect**. We will be learning about how behaviour (our own and others) can affect people, recognise who cares for our school environment and explain the importance of looking after things that belong to us and others. We will begin to understand the importance of keeping money safe and the concept of saving money.

Music

How does music help us to understand our neighbours?

This term we will be celebrating a wide range of musical styles, which combine pulse, rhythm and pitch. We will learn a new song each week and we will listen, sing, play, compose and then perform.

Computing

E-Safety and Grouping Data

We will begin by using labels to put objects into groups and labelling these groups. We will demonstrate that we can count a small number of objects, before and after the objects are grouped. We will then begin to demonstrate our ability to sort objects into different groups, based on the properties we choose. Finally, we will use our ability to sort objects into different groups to answer questions about data.

In E-Safety, we will be learning to manage online information and begin thinking about our health, wellbeing and lifestyle.

PE

PE will take place on a Tuesday this term.

We will be focussing on Yoga and Net and Wall.

RE

Why was Jesus welcomed like a king or celebrity by the crowds on Palm Sunday? Christianity

This term in RE we are exploring the theme of salvation. We will be learning about the Easter Story, with a particular focus on the events of Palm Sunday and their significance to Christians today.
