

Key Instant Recall Facts (KIRFs)

Year 1 Summer term 1

I can automatically recall addition and subtraction number bonds for numbers to at least, 10

This term's KIRF is to recall addition and subtraction number bonds for numbers to at least, 10.

<u>10</u>	<u>9</u>	<u>8</u>	<u>7</u>	<u>6</u>	<u>5</u>
0 and 10	0 and 9	0 and 8	0 and 7	0 and 6	0 and 5
1 and 9	1 and 8	1 and 7	1 and 6	1 and 5	1 and 4
2 and 8	2 and 7	2 and 6	2 and 5	2 and 4	2 and 3
3 and 7	3 and 6	3 and 5	3 and 4	3 and 3	
4 and 6	4 and 5	4 and 4			
5 and 5					

Top Tips

The secret to success is practising little and often.

Look out for numbers in the environment. E.g. I can see 3 birds in the sky and 4 in the tree. How many are there?

Questions to Ask

I have 3, how many more do I need to make ___? (E.g. 8)

There are 6 eggs in the box, we use 4, how many are left?

Game / Activity Ideas

Maths games: <https://www.topmarks.co.uk/maths-games/5-7-years/addition-and-subtraction>.

Roll a dice. How many more do I need to make ___? (E.g. 9)

Find a set number of objects around the house. Split them into 2 groups in different ways. Say how you've made the total. E.g. 6 and 3 make 9.
